Lyrics
Love me Love me
Underneath the dreamy oriental moon
Love me Love me
Oriental nights are only meant for spooning crooning
Love me while the stars that shine above me
Seem to say with twinkling eyes so tender
Moonlight it’s the time for all who love to linger
Underneath the dancing tenderly entrancing dreamy oriental moon.
Underneath the dreamy oriental moon

Love me

Oriental nights are only meant for spooning crooning

Love me while the stars that shine above me

Seem to say with twinkling

Eyes so tender Moon-light it's the time for all who love to linger

Underneath the dancing tenderly entrancing dreamy oriental moon.
