Lyrics
Come on, Aw’ C’mon don’t keep me waiting,
Come on, Aw’ C’mon do it now,
You know there is no use hesitating,
They all know I love you now,
Come on, Aw’ C’mon make me happy,
Let the rest of the world go on,
Come on, cease to tease me, try to please me,
Come on, my sweet patootie, Aw’ C’mon.

Lyrics
  I’m just an Artist painting pictures, pretty pictures night and day,
  Just like a baby without a mother,
  I need another to drive my blues away,
  I’m just an outcast from dear old Loveland,
  My dreams have gone a stray,
  Though the sun shines, I’m lonely, because I am only,
  Painting pictures, pretty pictures that fade away.
