Lyrics
There’s silver in your hair, dear,
The roses have faded away;
The snows of December have taken the place
of the beautiful flow’rs of May;
Your eyes have lost their brightness,
But the lovelight will ne’er depart,
There’s silver in your snow white hair,
But there’s gold within your heart.

The
Roses have faded away:
The snows of December have taken the place of the beautiful flowers of May; Your eyes have lost their brightness,
But the love-light will ne'er depart.
There's silver in your snow-white hair, But there's gold with

in your heart—

There's heart.
