Stumbling all a-round, stumbling all a-round, stumbling all a-round so funny Stumbling here and there, stumbling ev’rywhere, and I must declare, I stepped right on her toes And when she

bumped my nose, 
I fell and when I rose, 
I felt a-
shamed

and told her, That's the latest step, that's the

latest step, that's the latest step, My honey, Notice all the pep, notice

all the pep, notice all the pep

She said, stop mumbling

tho' you are stumbling

I like it just a little bit, just a

little bit, quite a little bit.
