Bring along a thought of

Sawnee
Take me back home once more

To the old plantation where the banjos

Southern syncopation calls me there to stay

Come on and dance — I feel so happy — Come on and dance

We'll make it snappy — Now don't refuse — My sweet and pretty

Oh, oh, come on let's go — Just put your feet — With me in motion

We'll roll along — Just like the ocean — 'Cause in my head

I've got a notion — You'll marry a dancing fool.
