Faith-ful and true,
When you're a-way,

Dream-ing of you, All the day long I am dream-ing,
Then skies are gray, For you sweet-heart I am pin-ing,

Once in a while, I see a smile, in your sweet face dear a
Thro' bitter tears, your face appears, Once more the bright sun is

beam - ing. Some times you sigh, seems that I'm nigh,
shin - ing. Dream-ing of you, that's all I do,

I love you so that is why ______ In all my dreams,
wond'ring if dreams will come true ______ In dreams I see,

you're mine it seems, There is the love light a gleam - ing.
there's hope for me, Each cloud has a sil - ver - y lin - ing.
CHORUS.

I dream of you in day time, I dream of you by night — Your

vision fair seems ev'ry where, there is no star so bright — When you are

near I'm happy, when far away I'm blue, — But all the

world is sunshine, when I dream of you — you.
