When I was leav-ing
Gee it was fun-ny
She said she thought she'd like to
take a chance,

She whis-pered Loo - ey
Was that a no - tion
Let's try the Su - ey,
Or some com-mo-tion,

We start-ed dan-cing right out in the hall,
We heard a com-in from the floor up-stairs,
The dance was pleas-in
'Twas dad and moth-er

We both were'fraid to draw a sin-gle breath,
I lost my rea-son
And lit-tle broth-er
For got the hour and be-gan to bawl.
They all were dance-ing while they hummed this air.
