And I know that love is true,
You can plainly see
Ev'ry day brings something new
And you've grown to be

such a change in me.
My arms are aching to enfold you,
all the world to me. You'd never know how it would grieve me

Close to my heart I want to hold you,
But there's something that I
If you should ever go and leave me;
Hold me close and say that

haven't told you, I just can't help loving you!
you believe me, Each breath of life, dear, is you!
