Do What Your Mother Did
(I'll Do The Same As Your Dad)

Words by WILL DILLON
Music by ALBERT VON TILZER

Come on, Mary, what do you say,
Your ma made your father a man.

Come on, Mary, this is the day,
Well-litch old Dob-bin to the carriage
And celebrate your Mother's marriage,
Don't be bashful, wedding time is here,
Hurry up, Hurry up, Mary dear,

CHORUS

Come on and do, do, do, what your mother did. You know what she did for your dad.

If you'll do do do, do, what your mother did, You'll make me mighty glad.

Oh, she took his heart, and she took his hand. She took him to the church and got a wedding band.

Come on and do, do, do, what your mother did.

And I'll do just the same as your dad. Come on and dad
