"Sunshine"

The world is filled with sorrow,
A million tears each day;
But sunshine comes tomorrow,
A bit of Heaven dear.

The tears and sorrows fade away,
With happy sunshine streaming through,
The world was gloomy for me, there's always joy divine,
Until you came to me.

Refrain

Sunshine fills life with gladness. Dispelling sadness from hearts that sigh;

Sunshine makes life worth living. And good cheer giving

as clouds roll by. I love the sunshine of early morning. With gold adornning the land and sea; And in your eyes, dear, like summer skies, dear,

I find the sunshine just meant for me.
