Waltz

Life had no meaning till you came along
No one but angels, dear, could have such charms
You were a sweet sleeping and reverie
Messenger from above
I heard a voice of laughter and song
Saw eyes of blue that electrified me.

CHORUS

You started a dream when you came a...

long A dream of paradise for two...

You were the heart of my song sweetheart, my...

theme—You spoke of love and my dream came true.
Love was the song in the hum of the bees
Love was the theme in the whispering breeze
You were the all that love ever sees

Dream of a paradise for two—You started a dream.
