BOO-HOO-HOO

Moderato

You're just a little vampire
But you are playing with fire
You ask me dear, to forgive me
You write and say that you feel blue

When you start fooling with me dear
I'll make you real
I told you once you'd be sorry
I hope you realize that, I'm just a little love demon
I'll make you want me some day
But you left me just the same

You're gonna ask me to stay
I told you some day you would come back to me
Now tell me who is to blame

CHORUS

Boo-Hoo-Hoo Some beautiful morning
Boo-Hoo-Hoo You'll find me gone away
And when you wake up and find that
You've been unkind just bear this in mind, your heart it will pine,
And you will want me back some day dear Boo-Hoo-Hoo then you will start crying Boo-Hoo-Hoo

Your tears will fall and that ain't all

You cheated on me, till my heart was aching Some day I'll turn a-round And find yours breaking

Boo-Hoo-Hoo You're gonna cry when I'm gone.
