Just Like A Rainbow

By the writers of "Love Bird"

They say that ev'ry cloud is sil-ver-lined
And there's a ray of sun-shine just be-hind
So when a storm ap- pears,
Don't waste your time in tears
Keep smil-ing and your rain-bow you will find:
Hap-pi-ness some-where
You'll find it if you hum this lit-tle song:

CHORUS

Just like a rainbow that's shining After the clouds have rolled by

A little smile or two Will cheer you when you're blue And days are dreary Life can be just what you make it Look for your blue-bird on high And you'll smile away all your shadows of gray Just like a rainbow in the sky.
