Nesting Time

Lyric by WALTER HIRSCH

Music by JAMES F. HANLEY

Moderato con moto

ARTIST COPY

The winter is ending
The whole world is waiting
Until the time for mating

VAMP

The voice of love is sending

A message to you and I, dear
The shadows all melt away, dear

The breezes hum a refrain
The blue-bird yearning above

Springtime is coming again
And true hearts turning to love

Do not worry for bye and bye, dear:
In Springtime there'll come a day, dear:

REFRAIN

When robins sing with a heart throb in Spring
Then it is Nesting Time, dear
When blossoms peep and awake from their sleep
Then it is Nesting Time

Two hearts are beating, beating as one
Soft breezes whisper "I love you"

I'll never rest till I build you a nest
