Three O'clock In The Morning
Waltz Song with Chimes

Valse Lente

three o'clock in the morning, We've danced the whole night thru,

day-light soon will be dawning, Just one more waltz with you,

melody so entrancing, Seems to be made for us two,

I could just keep right on dancing forever dear with you.

There goes the three o'clock chime, chiming, rhyming.

My heart keeps beating in time, Sounds like an old sweet no,

Say that there soon will be a honeymoon. It's three o'clock morning, We've danced the whole night thru, And daylight soon will be dawning, Just one more waltz,

you, That melody so entrancing, Seems to be made for us two, I could just keep right on dancing forever dear, with you.
