Why Don't You Smile?

Lyric by ALEX. GERBER

Fox Trot Ballad

Music by JEAN SCHWARTZ

When you are lonesome and blue,
Laugh-ter will make you forget
Sor-row and ev-ry re-gret,

Drive a-way your sad-ness,
Smile a-way your trou-bles,
Take the bright-er view.

Joy will re-place all your fears,
Smiles will re-place all your tears,
Why don't you give it a trial,
Light up your face with a smile,
