YOU'LL BE SORRY THAT YOU MADE ME CRY

Words by NEVILLE FLEESON

Moderato

I'm feelin' so blue,
lieve,

Don't know what to do.
You meant to deceive.

Since you said that we must part,
You have made a fool of me,
You've gone and broken my heart.

Why must it be me?
I've made up my mind,
Some other I'll find.

Why must it be me?
All I've done the whole night thru,
good and true,
I've been crying for you,
I'll forget about you.

That's just as plain as can be.
CHORUS

You'll be sorry that you made me cry,

You'll be sorry that you said goodbye.

You have broken every vow,

Still I can't believe some how

That every thing is over now

Some fine
day you'll meet me face to face. When some-

bod-y-else is in your place, Then to speak to me you'll

try But I'll smile and pass you by. You'll be sor-ry that you made me

cry. You'll be cry.
