ANGEL CHILD
FOX TROT SONG
By GEORGE PRICE, ABNER SILVER
and BENNY DAVIS

You're just as sweet as an angel,
I'm happy when you are near,
I couldn't do without you,
You drive away, shadows of gray,
When you smile, I'm in heaven it's true,
Cuddle closer to me,
An angel child, I'm just putting it mild,
An angel child, I'm just putting it mild,
An angel child, I'm just putting it mild,
An angel child, I'm just putting it mild,

REFRAIN

Angel child, I'm just wild about you, Angel child,
Angel child, I'm just wild about you, Angel child,
Angel child, I'm just wild about you, Angel child,
Angel child, I'm just wild about you, Angel child,
