You could hear him roar "Step hon - ey ba - by for me -

CHORUS

Kill them all down the line

Buzz, Mi-ran-dy, you look like a dan-dy, Beau-ti-ful ba-by,

Drag 'em a-long and don't be sting- y, mine.

Buzz, like the bee that's in the clo-ver Buzz, like you're

I'll say she does She's got a Buzz that's the en- vy of the ci- ty

There's no fault to be found, But the best buzz of them all
Is the one that makes them fall I mean the Buzz when you
