Valse moderato

Voice

Someone else has taken my place,
I will try to feel satisfied,

I can read it right in your face,
Even tho' our sweet romance ends,
We can still be friends.

Ev'n tho' you're not by my side,
Live in my heart, when we're miles apart.

Chorus

Don't feel sorry for me,
I'm glad that you,

found some-one true.

In your eyes I can see tears of sweet sympathy.

Tho' you're everything I had,

Don't you worry cause I'm sad,
If you're happy, I'll be glad

Don't feel sorry for me.

Don't feel sorry for me, I'd rather love you

still I must forget I'm glad that you are going to

somebody who can make you happy In your eyes I can see that you are sorry that we ever met;

Tears of sweet sympathy that's all I get Guess I ought a cry,

lay me down and die, you were everything I had

But I'll see it thru, Best of luck to you Don't you worry cause I'm sad

If it makes you happy to be with someone else

Then I know that I'll be glad So don't feel sorry for me.
