Two yearning eyes blue as the skies haunt me
Two lips that miss my tender kiss taunt me

Two loving arms with magic charms want me
In my home-land Virginia my own land
Where in the Spring the robins sing sweetly
And roses fair scenting the air greet me
There with the pale moon up above
I found the trail leading to love
Down Old Virginia way
Take me where the sweet Virginia moonlight beams, Take me there and leave me in my land of dreams—

— Just to live and love and never more to stray. From my Paradise down Old Virginia way.

Two years—ing eyes blue as the skies some day I'll dry your tears and all your fears.

Some way Lips that are still faithful and true My kisses will be all for you Down Old Virginia way— Just to live and love and

never more to stray. From my Paradise down Old Virginia way.
