sky — Hear a song — speed a long — You can hear an op era

phone — For old Mars thru the air — Tells them all just when to

grand — And if you will listen you may hear that fam ous Sau sa

go — And if you will listen you may hear it on the Ra dio —

CHORUS

Oh just listen in — on the Ra di o phone —

Oh just listen — hear the sax o phone moan —

There s mu sic

If you ll just listen in

you will get your share — Oh just listen in you must watch your

step — Oh just listen in you ll get lots of pep — Old

Doc tor jazz has come to stay — He will drive the blues a way —

If you ll just listen in — on the Ra di o phone —
