Don't ex-pect to find blues-ki-es a-
Life is just a lit-tle bit of

bove you, All the time and all the jour-ney through

If your day of sor-row Comes a-long to-
Take it al-to-geth-er, Rain or sun-ny weath-er,
Listen while I tell you:
This is a saying true:

CHORUS $p-f$
Always looking for a little sunshine

Never mind if skies above are grey.
When the heart is

Pining For the silver lining, Smile and soon the clouds will pass a-

Always Looking
way Just to take the shadows with the sun

shine, That's the golden rule of life they say

Always looking for a little sunshine Makes a little

sunshine ev'ry day. day.
