Keep On The Sunny Side.

Moderato

One little boy, one little girl, sat gazing
Each day you live, try hard to give, pleasure to

at the moon, all you meet, Boy's head bowed down,
Join in the throng,

face wore a frown girl whispered "why don't we spoon,
"jolly" a long smile at each fellow you greet,

You shouldn't be so jealous of me  Don't mind what
Life's one sweet song  But when things go wrong  Don't start to

other folks say  I love you true
cry or complain  Cheer up old boy

you know I do,  We'll both be happy some day.
life's full of joy,  Sun-shine always follows rain.

CHORUS.

"Keep on the sunny side  and let dull care pass you by."

Keep on the sunny side
Just figure out you're a long time dead, Don't start to worry or sigh,

Weep and you weep alone, Don't give up hope till you've tried. Don't join the crowds that walk under dark clouds, but keep on the sunny side.
