Women are jealous of Betsy,  
Fellows who hated the water,  
Chaps who were always afraid,  
For Betsy has charms, And not one of those who can't swim a
tool.

Chorus.

Betsey's the belle of the bathers,  
Betsey's the best on the beach.
Dressed in a bath-thing suit just a bit snug, Ev'ry one says she's a peach. When in the surf she's a cork-er, floats out of ev'ry man's reach. Bet-sy's the belle of the bathers, Bet-sy's the beaut of the beach.
