mem-ber me, The world may weep or glad-some be.

Meno mosso.

Life can-not hold much glad-ness, Ev-er a-part from thee,

There'll be a star to light my sad-ness, If you'll re-
Tempo I.

If you'll re-

member me,

My heart will know tho' we are far a-

part.

If you'll re-

member me,

A se-

cret joy will
thrill my heart. Mem'ries will oft remind me, if you'll remember, if you'll remember me.

All I have lost with thee.

All that I gave is worth the giving, if you'll remember, if you'll remember me.
