days forty nights when de rain kept a-fall-in;
De
wick-ed clumb de tree, an' for help kept a-call-in; For they
heard de wa-ters wail-in; Didn't it rain
rain, didn't it rain Tell me No-ah,
didn' it rain
Some clim'd de mountain, Some clim'd de hill,
Some started sail'in' an' a-row'in' wid a will;
Some tried swim-min' an' I guess they're swim-min' still, For they
heard de waters roar-in'; Didn't it rain,
Tell me Noah,

Did'nt it rain
