Be sure and try over "BLUE FEATHER" both song and Piano Solo on this copy. The melody is irresistible.
Her first beau comes
in their best array,
News is spreading
Her first beau comes
of a wedding grand,
All monkey land will be on
round and tries to spoon,
That fool baboon no more he'll

She just listens to the bridegroom,
Listen to them cheering as they stand,
She just listens to the bridegroom's tune,

While they command "strike up the band!"
And they'll start soon their honeymoon.

"MOLLY LEE" is a new Patriotic American Love Song by Theodore Morse. Be sure and get it.
"Here comes the bride, here comes the bride;"
"Where is the bride? she's by his side,"

Just hear the bride-groom sing:
List to his serenade:

CHORUS

"You are my lovey dovey, I am your honey boy,
My little tootsie wootsie,"

How to Compose Music
By JULIUS VOGLER
A practical method for the development of original musical ideas, with blanks appended for musical memoranda.
