What The Engine Done

Moderato

PIANO

VOICE

Listen! let me tell you what the engine done,
She cannon Ball runs through the thick- et,

left New Orleans about a quarter to one;
The Tryin' to keep up with the Missouri Pacific.
engineer he says to me, I got

to make connections with the

southern Pacific runs like a fountain, Tryin' to make connections with the

Sante Fe, The Sante Fe does fairly shout, A
Iron Mountain, Iron Mountain she does swell, A

trying to keep up with the Sunset route; The Sunset route
trying to keep up with the Cotton Belt; The Cotton Belt

runs all night, A tryin' to make connections with the
runs up an alley, Tryin' to make connections with the

What The Engine Done.
To keep up with the Old Red Light.
The Old Red Light runs to the sea,
Lehigh Valley.
Lehigh Valley hands you the bunk,

Trying to keep up with the M. K. and T.
The M. K. and T.;
Trying to keep up with the Old Grand Trunk;
The Old Grand Trunk,

runs so fast,
Tryin' to get along with the
raises cane,
Tryin' to make connections with the

Kansas Pass.
The Kansas Pass runs all day,
Boston and Maine.
The Boston and Maine flies like a raven,

Sea ad lib.

What The Engine Done.5
Tryin' to make connection with the C. & A.;
Tryin' to keep up with the New York and New Haven;

Tryin' to make connection with the B. & O.

Sho' does dash, Tryin' to keep up with the Old Wabash. The

Sho' does go, Tryin' to make connections with the D. & O.

Old Wabash runs a-long fine, Tryin' to make connection with the

Steps a-bout, Tryin' to make connection with the

Jersey Central Line; The Jersey Central Line runs a good gait,

Lack-a-wan-a Route; The Lack-a-wan-a Route. Sho' does roar,

What The Engine Done. 5
Tryin' to make con-nections with the Nickel Plate. The Nickel Plate
Tryin' to keep up with the Old West Shore. The Old West Shore
Sea ad lib.

Tryin' to make con-nections with the Pennsy-ly-van-ia Road; The
keeps it's time, Tryin' to make con-nection with the E-rie Line; The

Pennsy-ly-van-ia Road beats them all. Tryin' to make con-nections with the
E-rie Line behind so far.

S| Last

Can- non Ball. The, Can't make con-nec-tion with the Trol-ley Car.
