You got excited and you started something
Has started everybody dancing daily

nations jumping all around
France gaily all around
You've got a lot to

answer for
in the air
They lay the blame right at your door
They've got the fever everywhere

The world is rag-time crazy from shore to shore
Each happy, snappy chap- py cries "It's a bear,"
Lon-don dropped it's dig-ni-ty_ So has France and Ger-man-y_

All hands are dance-ing to a rag-ged-y mel-o-dy Full of o-rig-i-nal-i-ty

The folks who live in sun-ny Spain______ dance to a

strain____ that they call the Span-ish Tan-go
