Goodbye dear, I'm leaving you to-

Some day dear, When I come back to

day Don't cry dear, just dry those tears away

you We will build a little home for two

Duty calls and

I must obey, but I'll always hope and pray

down, dear, for life far away from care and strife

While I'm

sailing far across the sea, will you always think of me?

dear, and when I'm far away, don't forget to write each day.

Chorus (strict march—not too fast)

I may be gone for a long, long time, long, long time,

long, long time, But when I go you will know that I'll always pine for the day when

you'll be mine Be true to me for a long, long time,

rain or shine, sweetheart mine, and I'll be just as true to you, as to the Red, White and

Blue, though I'm gone for a long, long time, time.
