Yan-kee Boys you've got to do great fight-ing, Fighting for Un-cle Sam.

Yan-kee Boys the bugles they are call-ing, Call-ing for you to start.

We were tread on by a for-eign na-tion, And they want to rule ev'ry land.

We must keep the stars and stripes wave-ing, The flag that is dear to our heart.

The rights of the seas are shattered, And all that's no-ble and great.

We all soon will be in ac-tion, There is no time for play.

nev-er would lis-ten to rea-son. Our free-dom is at stake.

bound we will have sat-is-fac-tion. When we are in the fray.
