way don't try to betray you, but what ever you do
The land that made you what you are today;
Be fair and prove that you can stand the test.

Chorus well marked
Throw no stones in the well that gives you water,
Is a saying that's old but true.
Remember the story about the cur, "Don't bite the hand that's feeding you."
There's a hat in the ring and if it fits you, Put it on, there's a gun goes with it, too;
Throw no stones in the well that gives you water.
Come through, show us what you mean to do.
Throw no do.
