After You've Gone

By CREAMER & LAYTON

Now won't you listen dearie while I say
Don't you remember how you used to say

How could you tell me that you're going away?
You'd always love me in the same old way?

Don't say that we must part
And now it's very strange

That you should ever change

You know I've loved you truly many years
Sometimes I think someone has won your heart

Loved you night and day
Temp-ted you away

How can you leave me, can't you see my tears?
But let me warn you tho' we're miles apart

Listen while I say
You'll regret some day

CHORUS

After you've gone and left me crying After you've gone There's no denying,
you'll feel blue, You'll feel sad, You'll miss the dearest pal you've ever had

There'll come a time, now don't forget it, There'll come a time, when you'll regret it

Some day when you grow lonely Your heart will break like mine and you'll want me only

After you've gone After you've gone away.
