My gal has left me all alone.
That's why I'm feeling blue.

She had the sweetest little ways.
I loved my baby so.

If she don't come back mighty soon,
I don't know what I'll do.

And when it came to making love,
She taught me all I know.

I get a letter every day,
She tells me not to fret.

Now I just sit all night and dream,
Of days that used to be.

But I'm unhappy,
I'm so unhappy seems I never can forget.

But I'm so lonely When she gets lonely maybe she'll come back to me.

Since my gal [in] gone I've got the blues. Ev - ery day I'm

waiting for some news; I'm wor - ried all day long. I sing a

cry - ing song, Lord - y how I miss her! how I long to kiss her! Gee! my love is strong!

Since my dear, sweet [Ma ma's] gone a - way I can't eat my three square meals a -

day. Its tough when you must lose, the baby doll you choose.

Since my gal [in] gone I've got the Blues. Blues
