SUNRISE AND YOU

Lyric and Music
By ARTHUR A. PENN

Far in the East there's a soft, crimson glow, The new day blushes at its dawn-

Soft sing the birds in a ceaseless flow Their
welcome to the new-born morning. Dull gray shadows, then a flaming sky, Such was the picture when we said goodbye!

Very slowly and with much expression

Sunrise and you, And the soft morning dew, Like the tears on your cheek when we parted. My fond heart a-wakes When the glorious day breaks, For the
sun-rise reminds me of you!

Out from the depths of a star-less night Comes

radiant morn, to find me longing; Gone are the shadows, my

heart is light, And, in my breast new hopes are thronging.
Cold gray dawn will soon have passed, and then Skies will be smiling when we meet again! Sunrise and you, And the soft morning dew, Like the tears on your cheek when we parted. My fond heart a-wakes When the glorious day breaks, For the sunrise reminds me of you!
